DESTROYS GERMAI **CAMPAIGN PLANS**

Way Opened for New Victories for Czar in Fighting in Poland.

PHTROGRAD, Oct. 39 (Control Nows)—Military critics declare that all the German strategical plans in Russian Potang three been destroyed by the one fell blow dealt them in the

doubtedly to have been to color the political and administrative centre of Peland, with the bridge over the River Vistula, by the attack of three

must, it is declared, inevitably lead to further Russian victories between the Pilites and the Sandomir. The

The fine Siberian marched through the Warner streets straight into action. They took many prisoners at Mochidies and Poods and inflicted beavy losses at Bloss and Presskoff.

VIENNA, Oct. 38 -- An official as nouncement to-day says the Austri-

officers and 15 machine guns.

HERLIN, Oct. 28 (by wireless to Sayville, L. L).—Information from

Sapville, L. L.)—information from Vienna says it has been announced officially there that the Austrian troops are still gaining ground.

They attacked the Russian fortified positions near Felagtyn and stormed the heights to the north of Magiera Tuesday.

They have occupied the last pass across the Carpathian Mountains in Relation hands, shiled the Jabonica Paos, and Hungarian territory is now clear of Russians.

In Blackine the Austrians are advancing temperal floreth.

PARIS, Get. 32.—The Official War Office report issued to-day says:

"To the south of the Filice, the desmans suilt hold the Vistuia River, with the exception of the line from lymnagand to defer by the Austrians to cross the San, north of Jarosiau, have been repulsed and the Russians are undertaking the effects by the Austrians to cross the San, north of Jarosiau, have been repulsed and the Russians are undertaking the effects by the Austrians to cross the San, north of Jarosiau, have been repulsed and the Russians are undertaking the effects by the Austrians to cross the San north of Jarosiau, have been repulsed and the Russians are undertaking the effects by the Russians are undertaking the effects by the Austrians to cross the San north of Jarosiau, have been repulsed and the Russians are
